HARLOFF M-SERIES EMERGENCY CART - MDS3024B14-EMG1Q

The **Harloff M-Series Emergency Cart (MDS3024B14-EMG1Q)** is a crucial asset for any medical facility needing a rapid response solution. This standard-width, short cabinet cart provides 24 inches of vertical drawer space, configured with two 3-inch drawers, one 6-inch drawer, and one 12-inch drawer, all secured by a breakaway lock. The included Emergency Package equips the cart with an IV pole, a side-mounted drop shelf, two utility hooks, a cardiac board, an oxygen tank holder, and two sets of adjustable drawer dividers. Standard features such as an antimicrobial plastic top, ergonomic push handles, smooth-rolling casters, full-extension drawer slides, protective bumpers, and breakaway lock seals ensure functionality and security. The cart is finished in a highly visible red paint.

HARLOFF M-SERIES ANESTHESIA CART - MDS3030E15

The **Harloff M-Series Anesthesia Cart, model MDS3030E15**, is designed for efficient and organized storage of anesthesia supplies. It features a standard configuration of five drawers: two 3-inch drawers, two 6-inch drawers, and one 12-inch drawer. The package includes an antimicrobial plastic top for a hygienic work surface and ergonomic push handles on one side for easy maneuverability. The cart is equipped with 5-inch ball-bearing Tente casters for smooth rolling and full-extension drawer slides for complete access to drawer contents. Drawer stabilizing pontoon bumpers ensure quiet and secure drawer operation. This model replaces the 6415E anesthesia cart.
