Stainless Steel Side Panels for Steris 400 Series 36in

STAINLESS STEEL SIDE PANELS FOR 400 SERIES 36IN

Stainless Steel Side Panels for the 400 Series 36-inch Sterilizer are designed to provide durable, corrosion-resistant enclosure enhancements that protect the unit while enhancing its clinical aesthetics. Constructed from high-quality stainless steel, these panels offer superior durability in demanding hospital environments, resist staining from detergents and sterilants, and support easy cleaning and sterilization. Designed for a precise fit with the Steris 400 Series 36-inch sterilizer, they help maintain a clean, professional appearance and contribute to the unit's overall structural integrity and longevity.
