- Portable and lightweight
- Flexible configurations to meet different clinical needs
- LAN/Wi-Fi (optional) connections
- Bi-directional communication with the MFM-CMS central station
- Adult and pediatric airway adapter set with dehumidification tubing

Why purchase Auxo Medical Reconditioned Biomedical Equipment?

Auxo thoroughly inspects and re-certifies all of its reconditioned biomedical equipment. Batteries are checked or replaced, and each unit is cosmetically repaired. Calibrations are made and all safety inspections will be completed. In most cases our equipment warranties meets or exceeds those of the OEM.
