- iTouch: Gain instant auto image optimization in B mode on the click of a single key
- Sleek, streamlined, compact shape
- User friendly keyboard and controls
- Lightweight system for enhanced mobility
- High resolution, wide-angle 15" LCD with tilt functionality for better viewing

### Why purchase Auxo Medical Reconditioned Biomedical Equipment?

Auxo thoroughly inspects and re-certifies all of its reconditioned biomedical equipment. Batteries are checked or replaced, and each unit is cosmetically repaired. Calibrations are made and all safety inspections will be completed. In most cases our equipment warranties meets or exceeds those of the OEM.
